

Nylon 12 Coil Hose With Tails

- Low moisture absorption
- Excellent resistance to a wide range of chemicals
- Safety Factor of 3 to 1
- Excellent performance in a wide range of temperature and humidity conditions
- Available in Red or Blue
- Working Pressure 15 Bar to 27 Bar
- Working Temperature -40°C to + 80°C

Applications

- Fuel Lines
- Oil Lines
- Petrol Tank Breather Lines
- Pneumatic Lines
- Bleed Lines
- Brake Controls

Nylon 12 Coil Hose with Tails Blue

Nylon 12 Coil Hose with Tails Red
