

Metric Blue Polyurethane Coil Assemblies - Swivel BSPT

Metric Red Polyurethane Coil Assemblies - Swivel BSPT

Excellent Return & Coil Memory

Heat & Light Stable

Light & Flexible making it easy to install / use in confined spaces

Working Temperature -20°C to +70°C

Polyurethane Coil Hose Black

Polyurethane Coil Hose Blue

Material which resists kinking and is impervious to abrasions and oils.

Supplied without fittings, but ideal for use with Push-in, Hose Tail or Quick-fit fittings

Working Temp. -20°C to +70°C
